Stipulations made by Project AQUATONE
Security Officer

APPENDIX A

to:

TCS-2915-58

dtd.: 11 April 1958

CONCURRENCE:

1. The concurrence of the AQUATONE Security Officer is based on the following assumptions:

a. Sanitization is an integral part of the TALENT system's use of material.

b. Sanitization entails controlled release so as not to disseminate flight path.

2. With the above as a requirement, the Project Security Officer did agree to "Month and Year" titling of sanitized materials to afford maximum tactical use of such items.
